

MG MARVEL R

Accessories Brochure

Recharge yourself

MARVEL R accessories accompany you every mile of the way.

The MG MARVEL R is designed for European motorists who appreciate design, luxury, and performance. MG believes that every detail of MARVEL R should not be ignored. To this end, we have chosen a series of accessories that match your MARVEL R to enrich your driving experience and safety.

The MG MARVEL R is a real virtuoso showing the pure expression of exquisite craftsmanship. Choosing an MG MARVEL R accessory is the perfect way to turn this artwork into your own masterpiece, since each accessory is developed to meet your needs and provide unparalleled style.

Enjoy every minute and every second of driving , our tailor-made accessories are waiting for you.

Protection

Keep your MARVEL R as new.

It is common to want to protect an extraordinary car like the MG MARVEL R. However, active daily life can leave its mark. Your car deserves a protection package from MG to protect from day-to-day wear and tear.

Our protective accessories include tailored floor mats & trunk mats for the interior and a set of custom designed mud flaps for the exterior...

Fabric floor mats*

SAC1000668

The fabric mats are made of soft and odourless materials to bring you the ultimate comfort and protection.

They undergo rigorous testing to ensure that they do not fade or deform.

The custom designed mats with white stitching and MG logo can be easily secured to the floor to prevent slipping to ensure your safety during driving.

Rubber floor mats*

SAC1000678

Made from a waterproof and hardwearing material, the rubber mats are suitable for all seasons.

Especially in wet or rainy weather, they are easy to clean and can save you precious time when cleaning your new MG MARVEL R.

The raised surface design of tailored rubber mats provides optimum protection and excellent grip. With the embossed MG logo, you can rest assured of quality.

*Products may vary from image.

Trunk mats*

SAC1000688

To protect the trunk of MG MARVEL R during loading and unloading, the rubber trunk mat can effectively prevent scratches and scrapes.

The raised surface design offers an additional grip for items stored in the trunk. Our trunk mat is durable and completely waterproof.

They have been manufactured to the highest standard to reduce fading and to be odourless. It is marked with the MG logo, stylish in appearance and approved in quality.

Mud flaps*

SAC1000718

The mud flaps are crafted into a specific shape following the sleek lines of the MG MARVEL R that can be installed easily.

In addition to protecting your MARVEL R, the fitment of mud flaps will also benefit other vehicles following you by reducing road spray.

They are manufactured from soft plastic to be more effective in combating muddy water and protecting the MG Marvel R from stone damage.

Carbon mirror housing*

SAC1000748

Improve the side profile of your MARVEL R and get started on the carbonization of your MARVEL R with a set of carbon mirror housing.

These brand-new carbon mirror housings easily add visual appeal to your vehicle.

Touring / Storage

Follow your intuition, go beyond boundaries.

Even if you reach your destination, don't stop exploring - MG MARVEL R accessories will always be with you.

Add extra space for your next adventure and travel with our touring accessory pack.

 **Tow bar***
SAC1000488

Equip your MG MARVEL R with our high-strength steel tow bar kit, including everything you need to complete the trailer connection.

The towing capacity of MARVEL R is 750kg. There is an additional 50 kg vertical load capacity, which means you can easily attach the bicycle carrier to the tow bar, allowing you to expand your horizons.

Electronic

Expand your electric life experience with MARVEL R.

Using the most cutting-edge EV technology, MG wants to bring the iconic electric life experience to you, a break from charging to a mobile living space.

Electronic accessories are exactly what you should expect with a car as remarkable as MG MARVEL R.

 **Charging cable***
SAC1000698

The charging cable ensures safe and efficient charging. The case material is thermoplastic which is flame retardant, while the contact pins are made from copper alloy and silver plated, which are durable.

It complies with international standards to ensure your safety. Fitted with a shucko plug, the charging cable can connect to your household socket and charge your MG MARVEL R conveniently.

Additionally, we provide a low-key and neat packaging box with the MG logo for storing your charge cable.

V2L power socket*
SAC1000708

Leading a new lifestyle, the V2L power socket allows you to charge any electric device like an electric bike, laptop, or any other device direct from your MG MARVEL R.

The MG MARVEL R is not just a simple means of transportation, it is a mobile living space.

The V2L power socket comes supplied in a discreet and tailor made fabric case with the MG logo proudly displayed on the outside.
