⁽¹⁾ Maximum recommended prices excluding options in the MG network at XX/XX/2025, subject to change. Prices include VAT but exclude commissioning costs and are valid in the participating network while stocks last.

⁽²⁾ Consumption and range data are calculated on the basis of the harmonized test procedure for light vehicles (WLTP) in accordance with regulation 2018/1832. Actual vehicle range may differ from the data displayed in this document depending on driving style, vehicle speed, use of certain equipment and other factors (outside temperature, road surface, etc.).
